

One Hundred and Fifty-sixth Incaenia

Thursday 23rd May

1985

Aitken University Centre

University of New Brunswick

Fredericton Campus

The audience is requested to stand when the Academic Procession arrives and remain standing for the Prayer of Invocation. Following the singing of *O Canada* at the close of Encaenia, the audience should remain standing until the Academic Procession has left.

Graduates, their guests and the public are cordially invited to the Encaenia Tea in the Garden Cafe, Student Union Building, following the ceremony.

ENCAENIA MUSIC

Music for the One Hundred and Fifty-sixth Encaenia is provided by the Band of the 8th Canadian Hussars Militia, under the direction of CWO Charles Estabrooks, C.D., O.M.M.

The Hillsborough Girls Choir was formed in 1979 and is composed of forty-eight girls ranging in age from nine to seventeen years. Their repertoire includes madrigals, sacred music, rounds, secular and folk songs in five languages. Often referred to as New Brunswick's Ambassadors of Song, they have been chosen to represent New Brunswick on numerous occasions throughout Canada. The choir was awarded the prestigious Leslie Bell Trophy in 1981 and again in 1983, and sang for HRH Prince Charles and Diana, the Princess of Wales, when they visited Rothesay in 1983. In 1983 they also attended the International Eisteddfod in Llangollen, Wales, and the videotape of their visit produced by the New Brunswick Department of Education, *Eisteddfod—Journey to the Land of Song*, won the Award of Merit in its category in the AMTEC '84 Media Festival in London, Ontario. In 1984 they performed for the Papal visit in Moncton and for the Queen and the Duke of Edinburgh. Director Ruth Boswell Schiller is a graduate of Mount Allison Conservatory of Music in Sackville, and accompanist Elsie Steeves is a graduate of Acadia University.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.
