

University of New Brunswick
Thirty-second Convocation

Sunday, October 19, 1986
The Playhouse, Fredericton

The audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. Following the singing of *O Canada* at the close of Convocation, the audience should remain standing until the Academic Procession has left.

Photographers are respectfully requested not to block stairways leading to and from the stage and to be considerate of the view of the audience.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.

*Convocation for students in Arts, Science, Law,
Nursing, the Master of Education program and the
four-year Bachelor of Education program*
