

# One Hundred and Sixtieth Incaenia

Thursday, May 25

1989

Aitken University Centre

University of New Brunswick

Fredericton Campus

The audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. Following the singing of *O Canada* at the close of Encaenia, the audience should remain standing until the Academic Procession has left.

Friends and relatives who wish to take photographs when diplomas are presented should follow the signs to the assigned area. Please note that Chappell Studio, Inc., has been engaged by the Graduating Class to take a colour photograph of each graduate as he or she receives a degree. Proofs will be sent to the graduate at no obligation to order.

Graduates, their guests and the public are cordially invited to the Encaenia Tea in the Garden Cafe, Student Union Building, following the ceremony.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.
