O CANADA

RECESSIONAL

Water Music
by G. F. Handel

At the close of Convocation, following the singing of *O Canada*, the audience is asked to remain standing until the Academic Procession has left.

Following the ceremony, graduates, guests, and the public are cordially invited to attend the Tree Planting in the Flowering Crab Grove, and the Convocation Tea in the Thomas J. Condon Student Centre.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, it is traditional to retain it for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from these earliest universities of mediaeval Europe and a humble reminder that the search for truth is both new and ancient.
