

University of New Brunswick
Installation of the President
and
Thirty-sixth Convocation

Sunday, October 14, 1990

Aitken University Centre

University of New Brunswick

Fredericton Campus

The audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. Following the singing of *O Canada* at the close of Convocation, the audience should remain standing until the Academic Procession has left.

Friends and relatives who wish to take photographs when diplomas are presented should follow the signs to the assigned area.

Graduates, their guests and the public are cordially invited to the Convocation Tea in the Ballroom, Student Union Building, following the ceremony.

Music for the Presidential Installation and Thirty-sixth Convocation is provided by the Brass Choir of the RCR Band, under the direction of WO Scott Attridge, through kind permission of Brigadier General J. M. G. Baril, OMM, CD, Commander, Combat Training Centre, CFB Gagetown. Choral selections are by the UNB Bicentennial Choir, under the direction of Steven Peacock.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.
