

University of New Brunswick

Thirty-ninth Convocation

Sunday, October 17, 1993

Aitken University Centre

University of New Brunswick

Fredericton Campus

The audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. Following the singing of *O Canada* at the close of Convocation, the audience should remain standing until the Academic Procession has left.

Graduates are asked to remain in their seats until the Convocation ceremonies are completed as a sign of respect and consideration for their classmates.

Friends and relatives who wish to take photographs when diplomas are presented should follow the signs to the assigned area.

Graduates, their guests and the public are cordially invited to the Convocation Tea in the Garden Cafe, Student Union Building, following the ceremony.

Music for the Thirty-ninth Convocation is provided by the UNB Concert Band, under the direction of Richard Hornsby, B.Mus.Perf., M.M., Director of Music.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.
