At the beginning of Encaenia the audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. At the close of Encaenia, following the singing of *O Canada*, the audience should remain standing until the Academic Procession has left.

Graduates are asked to remain in their seats until the Encaenia ceremonies are completed as a sign of respect and consideration for their classmates.

The Academic Procession is piped into the Aitken University Centre by Murray McEachen, Manager of Maintenance and Operations at UNB.

Music for Ceremonies A and B is provided by the Encaenia Ensemble under the direction of Nicolaas de Vries. Music for Ceremony C is provided by The Thomists under the direction of Harry Rigby.

Friends and relatives who wish to take photographs when diplomas are presented should follow the signs to the assigned area.

Following each ceremony, graduates, their guests and the public are cordially invited to an Encaenia Tea in the Atrium of the Student Union Building.

Although Latin has long ceased to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.

The Mace

The mace, which symbolizes the authority of the University to award degrees, was officially used for the first time at UNB's 167th Encaenia in May 1996.

A gift of the University's Chancellor, Fredrik S. Eaton, O.C., the mace was proposed by President Emeritus Colin B. Mackay, O.C., Q.C. It measures 4.5 feet in length and features an antique silver cup atop a butternut shaft.

The George II, two-handled cup was given to the University in 1995 by S. A. H. Bridge, the great-great-grandson of Sir Howard Douglas, Bar't. It was once part of a collection of fine silverware presented to Sir Howard by the people of New Brunswick when he returned to England, after serving as Lieutenant-Governor (1823-1831). During his term, Sir Howard took great interest in the institution then known as the College of New Brunswick. He persuaded the British government to grant it a Royal charter, as King's College, and to provide half the funding for the construction of what is now the oldest university building still in use in Canada.

The cup, hallmarked LONDON 1734, is predated by its cover which bears a 1728 hallmark. The armorial engraving on the upper half of the cup and the crest and motto on the cover are those of Douglas of Kirkness, County Kinross.

Ceremony A: Wednesday, May 28, at 2 p.m.

UNB's Chancellor commissioned New Brunswick artisan Michiel Oudemans to design and create the staff for the mace. Crafted from butternut, a wood indigenous to the province, the staff features elements of the UNB coat of arms and symbols of New Brunswick: a book of learning, beavers (in honour of Lord Beaverbrook, the University's first modern-day Chancellor), a galley, fiddleheads, and Atlantic salmon.

Official Opening

At the beginning of each graduation ceremony, before the mace is set on its ceremonial stand by the University Secretary, the President will petition the Chancellor to begin the ceremony.

Praeses: Amplissime Cancellari, placetne tibi ut officium incipiat?

Cancellari: Placet.

President: Most noble Chancellor, is it your pleasure that the ceremony begins?

Chancellor: It is my pleasure.

Fredrik S. Eaton, O.C., O.Ont.

Fredrik S. Eaton, O.C., Chancellor of the University of New Brunswick since 1993, will preside over Encaenia Ceremonies A and B, and assist with the installation of his successor at Ceremony C.

During his tenure as Chancellor, Dr. Eaton worked with three UNB Presidents — all of whom have commended him for his absolute dedication to his *alma mater*. Dr. Eaton graduated from UNB in 1962 with a B.A. and in 1983 was awarded an honorary doctor of laws for his outstanding contributions to the university. He will be especially remembered for his leadership role as chair of The *Venture* Campaign, to date the most successful fund-raising campaign in the university's history.

Richard J. Currie, C.M.

Richard J. Currie, C.M., will be officially installed as Chancellor of the University of New Brunswick at Encaenia Ceremony C on May 29, 2003, at 2 p.m.

A longtime supporter of UNB, Dr. Currie is the chairman of the board of Bell Canada Enterprises (BCE) Inc., Canada's largest communications company. As chancellor of UNB, he will serve as honorary head of the university and as a member of its Board of Governors.

Dr. Currie began his studies in chemical engineering at UNB in 1955 as a Beaverbrook Scholar and finished his degree at the Technical University of Nova Scotia, as was the practice at the time. Following a career at Atlantic Sugar, he earned an MBA from Harvard Business School.

In 1976, Dr. Currie was named president of Loblaw Companies Limited. Under his leadership, the company became the largest private sector employer in Canada. He served as president of Loblaw's parent company, George Weston Ltd., from 1996 until spring 2002, raising its share price from \$16 to \$123.

A member of the Order of Canada, Dr. Currie holds honorary degrees from UNB and TUNS. He was named Canada's Outstanding CEO of the Year™ for 2001 and was recently inducted to the Canadian Business Hall of Fame.

As UNB's fifth modern-day chancellor, Dr. Currie will succeed Fredrik S. Eaton; Lady Violet Aitken; her husband, Sir Max Aitken; and his father, Lord Beaverbrook.
