ABOUT THE CONVOCATION CEREMONY

The Convocation Procession

The word "convocation" means "calling together," and UNB's convocation is truly a gathering of all individuals who are part of the University – students, professors, administrators, staff, alumni, families, and friends. The ceremony starts with the procession of students, special guests, faculty, members of the Senate and of the Board of Governors, the honorary degree recipient(s), the President and Vice-Chancellor, the Chancellor and the Lieutenant-Governor of New Brunswick.

The Stage

All of the formalities around convocation take place on the stage. The stage is occupied by the Lieutenant-Governor, representatives of the Federal, Provincial and Municipal governments, the University's Chancellor, the President and Vice-Chancellor, members of the University's Board of Governors, University officials such as Vice-Presidents, Deans and Directors, University alumni, those holding emeritus status and the honorary degree recipient(s). The flags on display in the room represent the countries that are home to the international students currently studying at UNB Saint John. The banners displayed on the stage represent the various faculties in which students may study at UNB Saint John.

Academic Dress

It is part of the ceremony to wear the academic dress of the institution. It is for this reason that all of the students wear the gown, hood and cap, as do most of the University's faculty and officials. At UNB Saint John, the University's alumni are also invited to wear their academic attire and join the procession.

Latin in the Ceremony

"Although Latin has long ceased to be the language of instruction for all university courses, it is traditional to retain it for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from these earliest universities of mediaeval Europe and a humble reminder that the search for truth is both new and ancient." (TJC)

The Ceremonial Mace

The mace symbolizes the authority of the University to award degrees. Introduced in 1996, UNB's ceremonial mace features an antique silver cup atop a wooden shaft. The George II two-handled cup was given to the University in 1995 by S.A.H. Bridge, the great-great-grandson of Sir Howard Douglas, Bart. Sir Howard, Lieutenant-Governor of New Brunswick from 1823 to 1831, was instrumental in gaining the University's Royal charter.

The shaft was created by New Brunswick artisan Michiel Oudemans. Crafted from butternut, a wood indigenous to the province, it features elements of the UNB coat of arms and symbols of New Brunswick: the University motto, Sapere aude (Dare to know); a book of learning; beavers (in honour of Lord Beaverbrook, the University's first modern-day Chancellor); a galley; fiddleheads; and Atlantic salmon. The mace is carried in the procession by the University Secretary.

The dress worn by each participant depends upon the academic level attained, with special attire for Bachelors, Masters and Doctors.
