AT THE BEGINNING OF ENCAENIA, the audience is requested to stand when the Academic Procession arrives and to remain standing until the close of the Prayer of Invocation. At the close of Encaenia, following the singing of *O Canada*, the audience should remain standing until the Academic Procession has left.

GRADUATES ARE ASKED TO REMAIN IN THEIR SEATS until the Encaenia ceremonies are complete as a sign of respect and consideration for their classmates.

THE ACADEMIC PROCESSION is piped into The Richard J. CURRIE CENTRE by Allan Adams.

MUSIC FOR THE 190TH ENCAENIA is provided by The Saint John String Quartet (David Adams and Dani Sametz, violins; Christopher Buckley, viola; Sonja Adams, cello) with Robert Dutton, trumpet.

FOLLOWING THE CEREMONY, graduates, their guests and ceremony participants are cordially invited to an Encaenia Tea in the Alberta Alumni Recreational Centre.

ALTHOUGH LATIN HAS LONG CEASED to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as university convocations. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.

TWO PHOTOS WILL BE TAKEN OF EACH GRADUATE on the platform. Beginning June 2019, graduates will be able to download print-quality photos for free at unb.ca/graduation/encaenia.

THE CEREMONIES ARE BEING LIVESTREAMED and broadcasted at unb.ca/graduation/encaenia. If you have any privacy concerns in relation to these videos, contact the University Secretariat, at secretariat@unb.ca or (506) 453-4613.

VIDEOS OF THE CEREMONIES will be posted on the Encaenia website, unb.ca/graduation/encaenia, by the middle of June.

THE MACE

The mace, which symbolizes the authority of the University to award degrees, was officially used for the first time at UNB's 167th Encaenia in May 1996.

A gift of the University's fourth modern-day Chancellor, Fredrik S. Eaton, O.C., the mace was proposed by the late Colin B. Mackay, O.C., Q.C., President Emeritus. It measures 4.5 feet in length and features an antique silver cup atop a butternut shaft.

The George II, two-handled cup was given to the University in 1995 by S. A. H. Bridge, the great-great-grandson of Sir Howard Douglas, Bar't. It was once part of a collection of fine silverware presented to Sir Howard by the people of New Brunswick when he returned to England, after serving as Lieutenant-Governor (1823-1831). During his term, Sir Howard took great interest in the institution then known as the College of New Brunswick. He persuaded the British government to grant it a Royal charter, as King's College, and to provide half the funding for the construction of what is now the oldest university building still in use in Canada.

The cup, hallmarked LONDON 1734, is predated by its cover which bears a 1728 hallmark. The armorial engraving on the upper half of the cup, and the crest and motto on the cover, are those of Douglas of Kirkness, County Kinross.

New Brunswick artisan Michiel Oudemans created the staff for the mace. Crafted from butternut, a wood indigenous to the province, the staff features elements of the UNB coat of arms and symbols of New Brunswick: a book of learning, beavers (in honour of Lord Beaverbrook, the University's first modern-day Chancellor), a galley, fiddleheads, and Atlantic salmon.

THE UNB ALUMNI PIN

In 2000, the UNB Associated Alumni began the presentation of alumni pins to graduates, and a new tradition was born. This pin is a symbol that you were, are, and will always be, part of our family.

UNB alumni around the globe are leaders and innovators. Graduates, we know you will make your own mark on the world. As you do, we hope you will wear your pin with pride.

OFFICIAL OPENING

At the beginning of each graduation ceremony, before the mace is set on its ceremonial stand by the University Secretary, the President will petition the Chancellor to begin the ceremony.

Praeses: *Amplissime Cancellari, placetne tibi ut officium incipiat?*

Cancellari: *Placet.*

President: Most noble Chancellor, is it your pleasure that the ceremony begins?

Chancellor: It is my pleasure.
