

UNIVERSITY OF NEW BRUNSWICK
196TH ENCAENIA CEREMONY

MAY 28, 2025 | 10 A.M.

**THE RICHARD J. CURRIE CENTER
UNIVERSITY OF NEW BRUNSWICK
FREDERICTON CAMPUS**

Congratulations!

It is my great honour to congratulate the graduates, their families and supporters on the achievements celebrated in these ceremonies.

Graduation marks a moment in time when we gather to pause and be present as we acknowledge the years of hard work and sacrifice that led us to where we find ourselves today. We look forward with hope and set our intentions for the future, grounded in the knowledge that we can do great things.

Families and supporters: thank you for all that you have done to help your graduate or graduates along their journey. Today we celebrate you as well, knowing that success is seldom achieved alone.

Graduates: On behalf of everyone at UNB, congratulations! We could not be more proud of what you have achieved, and we cannot wait to see what you will do next. Wherever you go, know that you are always a part of the UNB family and the more than 100,000 UNB alumni making a difference in communities around the world. Sapere aude!

Sincerely,

A handwritten signature in black ink, reading "Paul Mazerolle". The signature is fluid and cursive, with the first name "Paul" and last name "Mazerolle" clearly legible.

Paul J. Mazerolle, BA'89, MSCJ, PhD
President and Vice Chancellor

AT THE BEGINNING OF ENCAENIA, the audience is requested to stand, if its members are able, when the Academic Procession arrives. At the close of Encaenia, following the singing of *O Canada*, the audience should remain standing until the Academic Procession has left.

GRADUATES ARE ASKED TO REMAIN IN THEIR SEATS until the Encaenia ceremony is completed as a sign of respect and consideration for their classmates.

THE ACADEMIC PROCESSION is piped to The Richard J. CURRIE CENTER by a piper from the Fredericton Society of Saint Andrew Pipe Band.

FOLLOWING THE CEREMONY, graduates, their guests and ceremony participants are invited to an Encaenia Tea in the Long Hall in The Richard J. CURRIE CENTER.

ALTHOUGH LATIN HAS LONG CEASED to be the language of instruction for all university courses, as it once was at Oxford and Cambridge, at Paris and Bologna, we have retained it at UNB for limited use on occasions of great academic solemnity, such as Encaenia. The use of Latin today is a symbol of our academic descent from those earliest universities of medieval Europe and a humble reminder that the search for truth is both ancient and new.

ONE PHOTO WILL BE TAKEN OF EACH GRADUATE on the stage. In June, graduates will be able to download print quality photographs at UNB.ca/graduation.

THE CEREMONY IS BEING LIVESTREAMED and broadcast at UNB.ca/graduation. UNB is committed to protecting personal information. If you have any privacy concerns, contact the University Secretariat, at secretariat@unb.ca or (506) 453-4613.

GRADUATION STOLES are worn by some graduands to recognize and celebrate the histories, cultures and identities of First Nation, Inuit and Métis students, as well as African students and those of African descent. These stoles serve as a meaningful symbol of heritage and culture, while marking this significant academic milestone.

LAND ACKNOWLEDGEMENT

We respectfully acknowledge that UNB stands on the unsundered and uncaded traditional Wolastoqey land.

The lands of Wabanaki people are recognized in a series of Peace and Friendship Treaties to establish an ongoing relationship of peace, friendship and mutual respect between equal nations.

The river that runs through our city is known as Wolastoq, along which live Wolastoqiyik – the people of the beautiful and bountiful river. Wolastoq is also called the St. John River.

WOLASTOQ HONOUR SONG

Wolastoq is flowing
Flowing and growing
Wolastoq is flowing
Down to the sea
Mother, carry me
A child I will always be
Mother, carry me
A child I will always be

THE SACRED BUNDLE

The Sacred Bundle is a wrapped collection of sacred items held by a designated carrier. The keeper of the Sacred Bundle carries a responsibility of courage to maintain truth in all interactions, and has an obligation to promote unity within diversity. It also provides an obligation to encourage building of respectful and sacred relationships within the university. The ceremonial contents of the Sacred Bundle will provide guidance toward the shared task of forging a new path within the promise of Piluwitahasuwawuwakon (forging a new path toward truth and reconcili-action).

THE MACE

The Mace, which symbolizes the authority of the university to award degrees, was officially used for the first time at UNB's 167th Encaenia in May 1996.

A gift of the university's fourth modern-day Chancellor, the late Fredrik S. Eaton, OC, the Mace was proposed by the late Colin B. Mackay, OC, QC, President Emeritus. It measures 4.5 feet in length and features an antique silver cup atop a butternut shaft.

The George II, two-handed cup was given to the university in 1995 by the late S. A. H. Bridge, the great-great-grandson of Sir Howard Douglas, Bar't. It was once part of a collection of fine silverware presented to Sir Howard by the people of New Brunswick when he returned to England, after serving as Lieutenant Governor (1823-1831). During his term, Sir Howard took great interest in the institution then known as the College of New Brunswick. He persuaded the British government to grant it a Royal Charter, as King's College, and to provide half the funding for the construction of what is now the oldest university building still in use in Canada.

The cup, hallmarked LONDON 1734, is predated by its cover which bears a 1728 hallmark. The armorial engraving on the upper half of the cup and the crest and motto on the cover are those of Douglas of Kirkness, County Kinross.

New Brunswick artisan the late Michiel Oudemans created the staff for the Mace. Crafted from butternut, a wood common to the province, the staff features elements of the UNB coat of arms and symbols of New Brunswick: a book of learning, beavers (in honour of Lord Beaverbrook, the university's first modern-day Chancellor), a galley, fiddleheads and Atlantic salmon.

UNB COAT OF ARMS (CREST)

The UNB coat of arms was approved by the Board in May 1956. In 1996, it was "repatriated" at a ceremony at Rideau Hall. The late Governor General Roméo LeBlanc presided over the registration of the symbol with the Canadian Heraldic Authority.

Within the coat of arms, the university celebrates its roots, founders and history. The beavers, representing Lord Beaverbrook's commitment to UNB; the book, carrying UNB's motto, represents knowledge and education; and the ship is from New Brunswick's coat of arms.

UNB SEAL

The current UNB seal was created in 1968. The Latin on the rim states it is the seal of The University of New Brunswick. The text on the left-hand page of the book reads in Hebrew, "In the Beginning, God Created the Heavens and the Earth... and the Spirit of God moved upon the Face of [the waters]." On the right-hand the Greek text reads, "The Gospel According to Saint John," followed by the first six words of the first verse of John's gospel, "In the beginning was the Word."

The seal appears on official UNB documents, including degree parchments, contracts and other legal documents.

UNB ALUMNI PIN

In 2000, the UNB Associated Alumni began a tradition of presenting alumni pins to graduates. The pin is a symbol that graduates will always be part of the worldwide UNB alumni family, and carries memories of a life-changing experience. UNB alumni around the globe are leaders and innovators. Graduates, we know you will make your own mark on the world. As you do, we hope you wear your pin with pride.

OFFICIAL OPENING

At the beginning of each ceremony, before the Mace is set on its ceremonial stand by the University Secretary and the Sacred Bundle has been laid by the Interim Piluwitahasuwin and Associate Vice President, Indigenous Engagement, the President will petition the Chancellor to begin the ceremony.

Praeses: *Amplissime Cancellari, placetne tibi ut officium incipiat?*

Cancellari: *Placet.*

President: Most noble Chancellor, is it your pleasure that the ceremony begins?

Chancellor: It is my pleasure

ENCAENIA AND THE PLATFORM

The University of New Brunswick is one of the few institutions in North America to call its graduation ceremonies Encaenia. Derived from the Greek word encoenia, meaning festival of the founders, the first celebration was held in Fredericton on June 24, 1830, at what was then known as King's College (later UNB). Instituted by Oxford graduate Edwin Jacob, the first and only head of King's College, Fredericton, Encaenia was not initially a graduation ceremony. Over the years, however, the speeches and reports paying tribute to those who founded the college were gradually supplanted by the awarding of degrees and the honouring of student achievement.

Encaenia is a gathering of all individuals who are part of the University – students, professors, administrators, staff and alumni. All of the formalities around Encaenia take place on stage.

Traditionally, the ceremony starts with the procession of graduands, faculty, staff and platform party members. In addition to others, the platform party consists of special guests; the Honorary Degree Recipient; Interim Piluwitahasuwin and Associate Vice President, Indigenous Engagement; members of the Board of Governors; the Provost and Vice President Academic; Vice Presidents; Vice Provosts; the President and Vice Chancellor; the Chancellor and the Lieutenant Governor of New Brunswick.

O CANADA

O Canada!

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.
